# CARIBBEAN TRANSITIONAL ENERGY CONFERENCE

Now in its third year, The Caribbean Transitional Energy Conference (CTEC) brings the best of regional and international clean energy experience and expertise to the Cayman Islands.

## Objectives:

- Fast-track investment in cutting edge clean energy projects and programs
- Foster the growth of a green economy
- Explore the implementation of next generation grid technologies

Spearheaded by the Cayman Renewable Energy Association (CREA), and supported by the Cayman Island's Government, CTEC affords its sponsors extraordinary insight into the Cayman energy roadmap and unique access to the upper echelons of public and private sector leaders. If your organization is serious about developing business in the Cayman Islands, we invite you to sponsor CTEC.
